On October 1, 2014, the conditions of supervised release were modified to include polygraph testing as a component of his sex offender treatment.

**RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR CAUSE AS FOLLOWS:** The defendant has recently enrolled in school and will be attending school this fall at Fayetteville Technical Community College. In order to monitor his compliance with computers or computer devices, it is requested that search conditions be added.

The defendant signed a Waiver of Hearing agreeing to the proposed modification of supervision.

**PRAYING THAT THE COURT WILL ORDER** that supervised release be modified as follows:

1. To ensure compliance with supervision, the defendant shall submit to unannounced searches of any computer or computer equipment (including mobile phones) which, in the discretion of the U.S. Probation Officer, may include the use of computer monitoring technology, computer search or analysis software, and copying of all data from the device and external peripherals. Such examination may require the removal of devices from the defendant's possession for the purpose of conducting a thorough inspection.
2. The defendant shall submit to a search of his person, house, residence, vehicle, papers, computer, other electronic communication or data storage devices or media, and effects at any time, with or without a warrant.
